## NEW YORK WORLD.

Time has demonstrated that the Thrice a Week World stands alone in its class. Other papers have imitated its form but not its success. This is because it tells all the news all the time and tells it impartially. Whether that news be political or otherwise. It is, in fact, almost a daily at the price of a weekly and you cannot afford to be without it.

Republican and Democrat alike can read the Thrice a Week World with absolute confidence in its truth.

In addition to news, it publishes first class serial stories and other features suited to the home and fire-side.

The Thrice a Week World's regular subscription price is only \$1.00 per year and this pays for 156 papers. We offer this unequalled newspaper and The Leader together one year for \$1.15.

The regular subscription price of the two papers is \$1.25.

## Hand Laundry

The only place in Guthrie to get First Class Work is at "17 East Oklahoma Avenue."

All work guaranteed and done by hand. Try me once and you'll come again.

## Red Letter Week!

Oklahoma State Fair and Agricultural Association

Sept. 10, 11, 12 and 13

At GUTHRIE

Read the list of Attractions

The Oklahoma State Fair and Agricultural Association, will hold its fifth annual fair at the fair grounds, this city, September 10, 11, 12, and 13. The managers are putting forth every effort to make it a great success. They propose from the start to run it on straight forward business principles and make it first class in every particular.

The forenoon will be devoted to the exhibition of hogs, horses, poultry, farm products etc., the afternoons to the races and other amusements. Valuable premiums have been offered on the best exhibits of various kinds.

Twenty premiums have been offered on the fruit exhibits and forty on farm and garden products.

Over 100 fine horses have been entered for the races which will begin each afternoon at two o'clock.

There will be a balloon ascension every thirty minutes, each afternoon. The balloon will ascend 1,000 feet in the air. Maj. McKinley has arranged for the Guthrie Gun club to give a daily exhibit each day of the fair and premiums will be given for the best shot. The gun clubs of Enid, Perry, Kingfisher, Chandler and Oklahoma City have been invited and will participate.

The Guthrie Brass band has been employed for the entire four days and a prominent feature of the fair this fall, will be a parade each morning of the horses, headed by the Guthrie band. There will be many horses from other states and purses of \$300 and \$400 for the trotting and pacing races.

The attendance this year is expected to exceed that of any previous fairs as it is thoroughly advertised throughout the territory. Friday of the fair will be "children's day," when the public schools will doubtless be closed to give the school children and their teachers an opportunity to visit the fair. Children will be admitted during the entire four days for 10 cents.

The general admission will be 25 cents.
